

March 28, 2020

To all concerned,

With a lot of prayer and discussion with the board and others involved in the SYC ministry we came to the conclusion to cancel the turkey hunt for the 2020 season. We felt that we needed to heed the warnings of our leadership in the state and federal government concerning COVID19.

There would be too much of a risk based on the nature of the virus and the fact we would be introducing several individuals with compromised immune systems to that risk. That being said, as a board, we would like to do something during the summer once we feel we are clear of the threat of potential infections from the Coronavirus. This has also brought to light that we should all be more diligent when gathering in large groups that no one that has signs of not being well should not participate or if identified during the event we ask them to leave.

The last thing we want is to compromise anyone's health during an SYC event. So here is what I would ask at this point:

- Pray for our President that he would seek God's will in this and lean on His understanding
- Pray for all of our elected officials that they use discernment in their decisions.
- Pray for our family's
- Enjoy a slowing of the pace of life and show love and understanding in this time.
- Reach out to your neighbor, friend and relatives (keeping 6' apart) pray for them and see if you can help

I feel someone pushed a reset button and it is time for all of us to find our baseline and have a renewing of spirit and understanding of what is important in life. We will keep you all informed as we work through this time about our summer event.

Stay well and thanks for understanding

Chet Herzog
President SYC Colorado
